

Relēvia® is a comprehensive formula consisting of enzymes, herbs and bioflavonoids designed to naturally support your body's inflammatory response. Whether you suffer from occasional pain or just overworked your muscles on the weekend, Relēvia® can help your body respond to pain and swelling safely and effectively.*

Directions: For conditions associated with inflammation take 2 tablets twice daily on an empty stomach with water. Depending on the severity of your condition and the advice of your health care provider, this dosage may be increased to 8 tablets daily.

Warnings: Do not take this product if you are allergic to aspirin or salicylates. Pregnant or lactating women, children and people taking prescription blood thinners should not take this product without first consulting their health care provider. Store in a cool dry place, Keep out of reach of children.
