Description:

TESTROGAIN®-RX-100 is an effective solution for maximizing your anabolic drive by taking full advantage of physiologically elevated testosterone levels. Testosterone is the master male hormone. Supplementing with TESTROGAIN®-RX-100 can increase male sex drive, strengthen bones, muscles, decrease body fat, improve thinking ability, boost energy and support healthy mood and heart health.*

TESTROGAIN®-RX-100 is a complete scientific formula for maximizing relative testosterone levels and activating anabolic processes. Contains a natural mixture of testosterone and luteinizing hormone (LH) boosters combined with aromatase (antiestrogen) and dihydrotestosterone (DHT) inhibitors.*

Suggested Use:

As a dietary supplement, for best results, take 4 capsules in the morning.

Warnings: This product is not intended for use by those with serious medical conditions. Not for use by women or children. Do not use this product if you have prostate cancer or prostate problems. Persons suffering from or at risk for any disease should consult a health care professional before using this product. Keep out of reach of children.
