DIETARY SUPPLEMENT

90 Capsules

Supplement Facts

Serving Size 1 Capsule
Servings Per Container: 90

Amount Per Serving	% Daily Value	
Proprietary Blend	283mg	**
Certified South African Hoodia Gordonii Cactus, Green Tea Extract (leaf) (providing 18mg of naturally-occurring caffeine), Pomegranate Extract (fruit) (providing 5mg of ellagic acid)		
Wakame Brown Seaweed (leaf) (Undaria Pinnatifida) (providing Fucoxanthin)	5mg	**

**%Daily Value not established

Other ingredients: Rice flour, gelatin, silicon dioxide, magnesium stearate.

SUGGESTED USE: As a dietary supplement, take one (1) capsule three (3) times daily with food and 8 ounces of water. This product should be used in conjunction with a sensible diet and exercise program. Do not exceed three (3) capsules per day.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Scientists have discovered a compound in brown seaweed called fucoxanthin that activates a fat-burning gene called uncoupling protein-1 (UPC1). By targeting energy distribution directly at the cellular level, fucoxanthin can support your metabolism and burn fat, including belly fat, without the side effects of stimulants, such as jitters and sleeplessness.

WARNING: This product contains 18mg of caffeine per serving (equivalent to 1/5 cups of coffee)

CAUTION: Do not exceed recommended dose. This product is not intended for pregnant or nursing mothers, children under the age of 18, or individuals taking prescription drugs. Discontinue use immediately if nausea, sleeplessness, or nervousness occur. Do not take this product if you have a known medical condition including high blood pressure, diabetes, any cardiovascular disorder, heart disease, hyperthyroidism, or are taking antidepressant medications. If you have questions about the advisability of taking this product, consult your physician prior to use.
