COLON CLEANSE® REGULAR

SUGGESTED USE: **Adults:** For persons 150 pounds and more: 1 heaping tablespoon three times daily. For persons under 150 pounds: 1 tablespoon twice daily. Mix with 8 oz. water, juice or your favorite beverage. Drink immediately.
Children: (6-12 years) and adults weighing less than 150 lbs: 1/2 the regular adult dosage.

As a means of adding beneficial fiber to your diet, Colon Cleanse® may be taken every day.

Good For Your Heart

Soluble fiber from foods such as **Psyllium Husk**, as a part of a diet low in saturated fat and cholesterol, may reduce the risk of **heart disease**. A serving of Colon Cleanse® supplies 4 grams of the 7 grams of soluble fiber from Psyllium Husk necessary per day to have this effect.

Suggested use for weight management:

Take one tablespoon (approx. 7g) about half an hour before every meal, with at least 8 oz. of water, juice or your favorite beverage. Psyllium Husk **promotes a feeling of fullness**, which will help you to eat less at mealtime.* It also provides fiber that helps in good bowel movements that are essential for weight management.* For best results, combine Colon Cleanse® whenever possible with a healthy lifestyle including sufficient exercise, a lot of water consumption and a sensible balanced diet that suits your needs.

Need something stronger? Try our **Super Colon Cleanse®** capsules or powder, a unique combination of Psyllium Husk with other herbs and Acidophilus. For a more thorough cleanse, please consider adding one helping of Super Colon Cleanse® every night in addition to your regular helping of Colon Cleanse® for about 2 weeks at a time. Repeat every 4 to 6 weeks.

In case of disposal, place in trash and avoid disposal in any plumbing system.

For individuals who lack sufficient fiber in their diet and to help maintain regularity.*
