

Formulated with Acai Juice, Raspberry Ketones, African Mango and other fruit extracts to boost metabolism, control your appetite and burn fat.[†]

Acai boosts energy levels, increases the body's metabolism rate and helps you get rid of extra pounds by burning fat, thanks to its high content in fatty acids Omega-3 and Omega-6.[†]

Raspberry Ketones may improve your body's ability to burn fat, especially if you are working out by encouraging the body to use fat instead of storing it.[†]

African Mango helps to control your appetite, your blood glucose level, and increases the rate at which your body converts fat into usable energy. It has many health benefits and also helps speed up the body's metabolism.[†]

SUGGESTED USE: Take 3 capsules daily, with 8 oz. of water as a dietary supplement, or as directed by a health care professional.

WARNING: If you are pregnant, lactating, taking any medications or have any medical condition, consult your health care professional before use. Discontinue use and consult your health care professional if any adverse reactions occur. **KEEP OUT OF REACH OF CHILDREN.** Do not use if safety seal is broken. Store in a cool, dry place.
