

Newton-Everett® PURE ISOLATE Premium Quality Whey is the perfect nutritional component to compliment your muscle growth, fat loss or fitness program. PURE ISOLATE is absorbed rapidly into the body, transporting amino acids into muscle fibers to begin the repair and rebuilding process.† Each serving of PURE ISOLATE contains 25g of whey protein.

SUGGESTED USE: Add one level scoop to 8oz. of water, non-fat milk, juice, or your favorite beverage. You can use more or less liquid to meet your desired taste and caloric needs. Shake/stir well until dissolved. Whey protein can be added to many foods including yogurt, oatmeal, and smoothies.

†These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

WARNING

Warning: Not recommended for individuals with allergies to dairy products and should not be used by pregnant or nursing mothers or children under 18 years of age without the advice of a physician. Excessive protein intake may result in impaired kidney function.
