Tangerine Flavor

New Triple Strength SUPERFLEX-3 Effervescent

Triple Strength SUPERFLEX-3 Effervescent is a breakthrough Joint Care Formula with Glucosamine, Chondroitin and MSM that is 100% available for absorption. Research indicates that a liquid is absorbed much quicker than tablets or capsules, which need to pass through the digestive system. Perfect for people who don't like swallowing tablets. No stomach distress. Mixes instantly with cold water or juice for a pleasant all-natural tangerine flavored drink! Contains a 30 day supply (one sachet per day) of complete Joint Care Support.

3 Essential Components for Joint Care

GLUCOSAMINE

Plays a key role in rebuilding cartilage necessary for joint health and flexibility.

CHONDROITIN

Helps flexibility of the joints by hydrating the cartilage tissue.

MSM

Helps support the development of new cells and connective tissue.
