

PRODUCT BENEFITS: Occasional sleeplessness can affect anyone – young or old. Our convenient liquid Melatonin formula nutritionally supports sound sleep, especially for those experiencing occasional sleeplessness or jet lag.*

Directions: For adults, take one (1) dropperful (1 mL) at bedtime as Melatonin may produce drowsiness. As a reminder, discuss the supplements and medications you take with your health care providers.

WARNING: Not intended for use by pregnant or nursing women. If you are taking any medications, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur. Do not drive, operate machinery or consume alcohol when taking this product. Limit use to two months with a break of one week. Not intended for use by persons under the age of 18.
