

newtoneverett®

Newton-Everett® MICELLAR CASEIN Slow Digesting Whey prolongs digestion, delivering a net protein balance throughout your workout and providing a continuous release of amino acids in the blood stream to reduce muscle breakdown. MICELLAR CASEIN continues to feed muscles after whey proteins have been fully digested.† Each serving of MICELLAR CASEIN contains 24g of protein.

SUGGESTED USE: Add one level scoop to 8oz. of water, non-fat milk, juice, or your favorite beverage. You can use more or less liquid to meet your desired taste and caloric needs. Shake/stir well until dissolved. Whey protein can be added to many foods including yogurt, oatmeal, and smoothies.
