

Garcinia Cambogia has been used as a dietary staple and powerful source of nutrition across Asia and Africa for centuries. The Garcinia Cambogia fruit is known to support digestion and blood sugar already within a healthy range, suppress appetite and prevent your body from turning certain foods into fat.[†]

Newton-Everett® GARCINIA APPETITE CONTROL harnesses the power of Garcinia Cambogia and pairs it with Acai and Green Tea for increased energy and antioxidant support to fight the signs of aging and reduce fat deposits naturally![†]
