

SUGGESTED USE: 4 VeganCaps™ per day. Not "all or nothing." Just 2 VeganCaps™ are extremely beneficial and far more potent than other products. **INTENSIVE USE:** 8-16 VeganCaps™ per day, ideally spread out over 2-8 servings. **SUGGESTED ADJUNCTS:** A whole food, organic, Vegan diet with emphasis on high-water-content fruits and vegetables, fresh juices, herbs/spices; **HealthForce Vitamin Green™** and **Earth™** (superfoods so comprehensive you could live on them), **Fruits of the Earth™** and **Liver Rescue™** (metabolic antioxidant enzyme support).

"Loyalties can be divided. I want to make it clear where mine lies. My loyalty is to those who want to thrive, and those whose life situation requires them to thrive. My loyalty is to you and the Earth. In my life now, and one day when I look back upon my life, that has and will still have value to me incomparable to any amount of money, investors, or fame. The quality and affordability of a product can, and often does, mean the difference between lethargy and energy, sickness and health, and quite literally, life and death. I don't want you to be tired, sick, or dead because you could not obtain or afford the best possible product. If someone does not feel this same way, they should not be in the nutritional product business. I would rather die than compromise these values."

BACKGROUND INFORMATION. GOAL: To make the broadest spectrum, most deeply effective, and highest ORAC (oxygen radical absorbance capacity) antioxidant product currently possible (both water AND fat soluble) with benefits far beyond ORAC, at the best possible value. PERIOD. Free radicals wage a crushing war on your DNA, contributing to virtually every disease, degenerative, and aging process known.* It's time to stop them. It's time to fight back! So many products tout benefits, but simply do NOT contain the correct botanicals and quantities of them to be effective. **Many formulators are ignorant of this, while many others do it knowingly to cut costs.** **Antioxidant Extreme™** allows you to actually achieve the benefits that research shows these amazing nutritional substances can provide!

**HYPE IS NOTHING.
SUBSTANCE IS EVERYTHING!**

ULTIMATE ORAC. Antioxidant Extreme™ goes beyond the latest research and provides a comprehensive formula with potencies, bio-availability, and ORAC heretofore untouched. Contains botanical extracts and synergistic whole foods.

HERBAL ANTIOXIDANT ACTIVATORS™ are extremely potent antioxidants and significantly increase the absorption and effectiveness of the other botanicals.

METABOLIC ANTIOXIDANTS. Antioxidant Extreme™ goes beyond ORAC by supporting the liver to make even more powerful metabolic antioxidants (SOD, Glutathione).

ECOFRESH NUTRIENT LOCK™ PACKAGING. This 100% recyclable glass bottle with airtight rubberized metal lid, VeganCaps™, and oxygen absorber prevents oxidation and actually preserves the product's antioxidant properties (dramatic difference vs. other packaging!).
