

SUPERFLEX-6 combines the best of science and nature to support healthy joint function in active adults.

- 1) **GLUCOSAMINE** helps maintain healthy cartilage levels.†
- 2) **CHONDROITIN** is essential for joint fluid which helps support cartilage.†
- 3) **MSM** helps support the development of new cells and connective tissue.†
- 4) **HYALURONIC ACID** helps maintain collagen levels.†
- 5) **BOSWELLIA** helps prevent the deterioration of cartilage and joint tissue.†
- 6) **VITAMIN D** aids in the absorption of calcium, thereby helping to form and maintain strong bones.†

Warning: Consult a physician before using if pregnant, nursing or on medication. Store in a cool, dry place. Keep out of reach of children. Do not use if safety seal is broken. Do not exceed suggested daily intake.

SUPER FLEX-3

JOINT CARE FORMULA

TRANSDERMAL

SUPERFLEX-3 Joint Care Cream contains MSM, Glucosamine and Chondroitin which have been proven through recent clinical studies to provide relief from the pain of many arthritic conditions and in particular Osteoarthritis. This deep penetrating formula provides prolonged release action of both MSM Glucosamine Glucosamine and Chondroitin through a transdermal delivery system.

DIRECTIONS: Apply to skin, morning and night, as needed.
