*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

SUGGESTED USAGE: As a dietary supplement, take 1 capsule 1 to 3 times daily, preferably with food. Consider taking these other NOW® products: Pycnogenol® and Advanced Gamma E Complex. Vitamin C is best known as an antioxidant that can protect the body's cells and molecules from damage by free radicals. NOW® AlphaSorb-C® includes Transport C-PLUS®, a trademarked combination of Threonic Acid-enhanced, buffered (non-acidic) Calcium Ascorbate with Alpha Lipoic Acid. Threonic Acid is a Vitamin C metabolite that has been shown to enhance cellular uptake of Vitamin C. Alpha Lipoic Acid functions as a free radical scavenger that can help regenerate Vitamin C in the body and may also enhance its utilization. With this unique formula, NOW has created a well-absorbed and highly biologically available Vitamin C supplement.*

AlphaSorb-C® 500
