

SIX STAR® MUSCLE

Six Star® Muscle is a cutting-edge advanced line of supplements scientifically engineered to accelerate muscle growth, increase strength, get cut and enhance muscle performance. Each Six Star Muscle supplement is strategically formulated for bodybuilders using researched key ingredients to deliver dramatic results. Over 50 scientific studies support the effectiveness of the key ingredients found in Six Star Muscle supplements. Bottom line: Your muscles demand advanced supplements and that's exactly what Six Star® Muscle gives you – advanced formulas to deliver results.▲

SIX STAR® PROFESSIONAL STRENGTH MUSCLE BUILDING MILKSHAKE

Six Star® Professional Strength Muscle Building Milkshake is a scientifically engineered musclebuilding protein formula designed to dramatically increase muscle growth, amplify strength and accelerate muscle recovery. This ultra-potent protein formula is built with hyper-pure 100% whey protein and is infused with a mega-dose of cutting-edge musclebuilding ingredients for explosive gains in muscle size and strength. With a super-concentrated serving of 33 grams of musclebuilding protein packed into the best-tasting formula we've ever developed, every shake is guaranteed to be a moment of pure satisfaction.▲

To engineer a superior formula, the elite science team behind Six Star Muscle Building Milkshake reviewed countless gold-standard research studies to ensure that each serving would create the ultimate anabolic environment. #In one of these studies, subjects ingesting a key ingredient in Six Star Muscle Building Milkshake gained over 5 times the muscle than subjects using a placebo in 12 weeks (7.12 vs. 1.30 lbs.!) #And in a scientific study, another key ingredient in the Muscle Building Milkshake formula has also been scientifically shown to increase muscle protein synthesis by 68%.▲ Most importantly to your taste buds, Six Star® scientists worked side by side with industry-leading flavor experts to develop a formula that would taste just as good as your favorite milkshake. Bottom line: If it doesn't taste great, you're not going to drink it. Six Star® Muscle Building Milkshake is the last protein supplement you'll ever need.▲

OTHER INGREDIENTS: PROTEIN BLEND (WHEY PROTEIN CONCENTRATE (PROVIDING DI-, TRI-, OLIGO- AND POLYPEPTIDES), PARTIALLY HYDROLYZED WHEY PROTEIN CONCENTRATE, CALCIUM AND SODIUM CASEINATE, HYPER-PURE WHEY PROTEIN ISOLATE (NON-EXCHANGED, 97% PURITY), WHEY PEPTIDES, MILK PROTEIN ISOLATE, MALTODEXTRIN, SUNFLOWER NUTRITIONAL SUPPLEMENT (CORN SYRUP SOLIDS, SODIUM CASEINATE, MONO- AND DIGLYCERIDES, DIPHOSPHATE, TRICALCIUM PHOSPHATE, SOY LECITHIN, TOCOPHEROLS (AS PRESERVATIVES), COCOA POWDER, NATURAL AND ARTIFICIAL FLAVORS, GUAR GUM, CALCIUM SILICATE, ACESULFAME-POTASSIUM, SUCRALOSE. **CONTAINS MILK, SOY AND WHEAT INGREDIENTS.**

Directions: Add one serving (2 scoops) to 4 - 6 oz. of cold water and mix. For maximum gains in muscle take three times daily. On workout days, take 2 servings between meals and the other serving immediately after your workout. On non-workout days, take 1 serving right when you wake up in the morning and the other servings between meals. Do not exceed 3 servings (6 scoops) in a 24-hour period.

WARNING: Not intended for use by persons under 18. Do not use if pregnant or nursing. Discontinue use and consult a medical doctor if you experience unusual symptoms. Do not use if you have had a myocardial infarction (heart attack). If you experience a skin rash or any other allergic reaction, discontinue use and consult a medical doctor. Inhalation may amplify the inflammatory airway response in people with asthma. Consume ten glasses of water daily to maintain an adequate state of hydration. Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. In case of accidental overdose, call a medical doctor or poison control immediately. Take a few hours before or after other medications. Consult a medical doctor before use if you have been treated for or diagnosed with, or have a family history of any medical condition, or if you are using any prescription or over-the-counter drugs), including blood thinners. Consult a medical doctor before starting any diet or exercise program. Do not exceed recommended serving. Improper use of this product will not improve results and is not advised. Use only as directed. **Do not use if packaging has been tampered with.** Store in a cool, dry place (60°F to 80°F). **KEEP OUT OF REACH OF CHILDREN.**

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
