SUGGESTED USAGE: As a dietary supplement, take 2 softgels twice daily with food. Consider taking these other NOW® products: Sytrinol®, Pantethine and Silymarin (Milk Thistle Extract). Red Yeast Rice (RYR) is a natural product that has been used by Asian traditional herbalists for centuries. It is produced by fermenting Red Yeast (*Monascus purpureus*) with rice. NOW® Red Omega™ is carefully produced to avoid the presence of citrinin, an unwanted by-product of RYR fermentation process. This product is further enhanced with the addition of CoQ10 and Omega-3 Fish Oil to support healthy cardiovascular function.*
