

SIX STAR® MUSCLE

Six Star® Muscle is a cutting-edge advanced line of supplements scientifically engineered to accelerate muscle growth, increase strength, get cut and enhance muscle performance. Each Six Star Muscle supplement is strategically formulated for bodybuilders using researched key ingredients to deliver dramatic results. Over 50 scientific studies support the effectiveness of the key ingredients found in Six Star Muscle supplements. Bottom line: Your muscles demand advanced supplements and that's exactly what Six Star® Muscle gives you – advanced formulas to deliver results.*

SIX STAR MUSCLE PROFESSIONAL STRENGTH WHEY PROTEIN

Six Star® Professional Strength Whey Protein is a scientifically engineered anabolic protein formula that's designed to force massive lean muscle growth fast.* The Professional Strength Whey Protein formula is built on a foundation of ultra pure whey protein – one of the most bioavailable forms of protein available in the world. But it doesn't stop there. Professional Strength Whey Protein is much more than regular whey protein.

As powerful as it is, regular whey protein has limitations. Using the latest advancements in protein supplement science, Professional Strength Whey Protein overcomes the limiting factors of regular protein supplements. Professional Strength Whey Protein is packed with a scientifically researched musclebuilding accelerator and works to quickly

spike your blood amino acid levels and shuttle a whopping 52 grams of protein for maximum growth.† The Six Star® Muscle Professional Strength Whey Protein key ingredients are tested in a university, gold-standard scientific study to be superior to regular whey protein for building muscle and increasing strength. The proof is in the science:

In one 6-week study, individuals taking the key ingredients in Six Star Whey Protein gained, on average, more lean mass than subjects using regular whey protein (8.8 vs. 5.1 lbs.).

Six Star® Professional Strength Whey Protein is the musclebuilding solution bodybuilders need for fast, extreme results.*

After using Six Star® Muscle Professional Strength Whey Protein, Geoff Ward transformed his body – fast!† In only 11 weeks he got in the best shape of his life.*†

*Geoff Ward used a previous version of Professional Strength Whey Protein along with other Six Star® Muscle Supplements and has been remunerated.

OTHER INGREDIENTS: PROTEIN BLEND (WHEY PROTEIN CONCENTRATE (PROVIDING DI-, TRI-, OLIGO-, AND POLYPEPTIDES), WHEY PROTEIN ISOLATE (ION-EXCHANGED 97% PURITY), PARTIALLY HYDROLYZED WHEY PROTEIN CONCENTRATE, MALTODEXTRIN, COCOA POWDER, NATURAL AND ARTIFICIAL FLAVORS, GUM ARABIC, SOY LECITHIN, CARBOXYMETHYLCELLULOSE, ACESULFAME-POTASSIUM, SUCRALOSE, SUNFLOWER NUTRITIONAL SUPPLEMENT (SUNFLOWER OIL, CORN SYRUP SOLIDS, SODIUM CASEINATE, MONO- AND DILYSERIDES, DIPHOSPHATE, TRICALCIUM PHOSPHATE, SOY LECITHIN, TOCOPHEROLS (AS PRESERVATIVES)). CONTAINS MILK AND SOY INGREDIENTS

Directions: Add 1 serving (1 heaping scoop) of Six Star® Professional Strength Whey Protein to 4 oz. of cold water or skim milk, mix with spoon, and consume immediately. For maximum muscle growth with weight training, consume 2 servings (2 heaping scoops) of Six Star® Professional Strength Whey Protein up to 3 times daily for a minimum of 6 weeks. Consume 10 glasses of water daily for general health. Do not exceed 6 servings (6 scoops) in a 24-hour period. Maintain an adequate state of hydration during use.

Note: To maintain product freshness, store in a cool, dry place. This product is sold by weight, so some settling may occur. Shake container before use.

WARNING: Not intended for use by persons under 18. Do not use if pregnant or nursing. Discontinue use and consult a medical doctor if you experience unusual symptoms. Do not use if you have had a myocardial infarction (heart attack). Inhalation may amplify the inflammatory response in people with asthma. Consult a medical doctor before use if you have been treated for, or diagnosed with, or have a family history of any medical condition, or if you are using any prescription or over-the-counter drugs, including blood thinners. Consult a medical doctor before starting any diet or exercise program. Do not exceed recommended serving. Improper use of this product will not improve results and is not advised. Use only as directed. Do not refrigerate. Do not use if packaging has been tampered with. Store in a cool, dry place (60°F to 80°F). KEEP OUT OF REACH OF CHILDREN.

NOTICE: Use this product as a food supplement only. Do not use for weight reduction.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
