

SIX STAR® MUSCLE

Six Star® Muscle is a cutting-edge advanced line of supplements scientifically engineered to accelerate muscle growth, increase strength, get cut and enhance muscle performance. Each Six Star Muscle supplement is strategically formulated for bodybuilders using researched key ingredients to deliver dramatic results. Over 50 scientific studies support the effectiveness of the key ingredients found in Six Star Muscle supplements. Bottom line: Your muscles demand advanced supplements and that's exactly what Six Star® Muscle gives you – advanced formulas to deliver results.▲

SIX STAR® PROFESSIONAL STRENGTH N.O. FURY®

Six Star® Professional Strength N.O. Fury® is a scientifically engineered nitric oxide anabolic agent that's scientifically developed to deliver muscle-flooding pumps of nutrient-rich, musclebuilding blood. N.O. Fury® is built with overpowering, pump-inducing ingredients synergistically combined with anabolic activating agents and intensity catalysts.▲

N.O. Fury® is designed to force a devastating pump that you will feel surging through your veins each and every time you hit the weights.▲ When you experience the raw intensity of the pump ignited by N.O. Fury, you'll know your body's on the brink of an extreme muscle explosion. The unique formula of N.O. Fury is far superior to regular nitric oxide formulas because it's designed to methodically induce insane pumps and outrageous increases in muscle size and strength. With N.O. Fury®, your body is transformed into a prime breeding ground for severe musclebuilding. While key anabolic nutrients are forcefully driven into your muscles, triggering dramatic muscle growth, this one-of-a-kind formula cranks your energy, intensity and mental focus into high gear, enabling you to unleash your own fury in the gym during every session. It's just the ammunition you need to achieve a freaky physique as fast as possible.▲

WARNING: NEVER EXCEED
RECOMMENDED DOSAGE

Directions: To experience the full benefits of this potent supplement, follow the recommended dosing protocol: For first-time users, consume 1 scoop (1 serving) of Six Star® N.O. Fury® mixed with 5-6 oz. of cold water 30-45 minutes before your workout. Once you truly respect N.O. Fury's power, gradually work your way up to 2-3 scoops mixed with 10-15 oz. of cold water until you reach maximum training intensity. Recommended use on training days: After your tolerance has been assessed, consume 1-3 scoops of N.O. Fury® mixed with cold water and consume 30-45 minutes prior to weight training. To maximize results, take on an empty stomach. Recommended use on non-training days: Mix 1 scoop with 5-6 oz. of water and consume on an empty stomach.

Do not exceed three servings per day. Maintain an adequate state of hydration during use. For best results, combine Six Star® N.O. Fury® with an intense exercise and nutrition program. Read the entire label before use and follow directions. Do not take within 5 hours of bedtime.

WARNING: Not intended for use by persons under 18. Do not use if pregnant or nursing. May cause flushing and itching. Do not use if you have had a myocardial infarction (heart attack). Inhalation may amplify the inflammatory airway response in people with asthma. Discontinue use and consult a medical doctor if you experience unusual symptoms. Consult a medical doctor before use if you have been treated for or diagnosed with or have a family history of any medical condition, or if you are using any prescription or over-the-counter drug(s), including blood thinners. One serving (1 scoop) of this product contains about as much caffeine as 1 cup of coffee (110 mg). Caffeine sensitive individuals may experience the following symptoms including (but not limited to) restlessness, nervousness, tremors, headache, anxiety, palpitations, increased heart rate or difficulty sleeping. Consult a medical doctor before starting a diet or exercise program. Do not exceed recommended serving. Improper use of this product will not improve results and is not advised. Use only as directed. Do not refrigerate. Do not use if packaging has been tampered with. Store in a cool, dry place (60°F to 80°F). KEEP OUT OF REACH OF CHILDREN.
