WARNING: KEEP OUT OF REACH OF CHILDREN. Do not use if you are pregnant or contemplating becoming pregnant, nursing, or have a known allergy to any ingredient in this product. Not intended for use by persons under 18. Consult a physician before using this product if you have been treated for or diagnosed with, or have a family history of any medical condition including, but not limited to, diabetes, anxiety disorders, glaucoma, cardiac conditions, osteoporosis, thyroid disease, hypertension, hypotension, and liver or kidney disorders or if you are taking any prescription drug or over the counter medication. One serving of this product contains the amount of caffeine equivalent to two and a half cups of coffee. Do not combine with other caffeine containing sources such as coffee, tea or energy drinks. Caffeine sensitive individuals may experience the following symptoms including (but not limited to) nervousness, anxiety, restlessness, tremors, headache, palpitations, increased heart rate, or difficulty sleeping. Discontinue use and immediately inform a medical doctor if you experience chest pain, irregular heart beat, dizziness, nausea, abdominal pain, dark urine, jaundice or other comparable symptoms. Consult a physician for use beyond 16 consecutive weeks. Use only as directed. Do not exceed recommended serving, as improper use of this product will not enhance results. Do not use if inner safety seal has been broken. Store in a cool dry place.

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**

Manufactured in the United States from foreign and domestic ingredients.

[▲] In a multi-centered randomized clinical study, women consuming a key component in the SLIMQUICK RAZOR formula twice daily lost an average of 24.6 lbs of weight vs. 8.1 lbs with diet alone in 90 days! Both groups consumed a reduced calorie diet of 1350 calories per day.
