

Hyper-T™ Blood Pressure Support

- Promotes cardiac function by supporting blood pressure and cholesterol levels already within the normal range*
- Moderates the effects of occasional stress and nervousness*

For life's change of seasons, there's LifeSeasons™.

Every new season brings change. It's the cycle of life that renews and energizes. Yet as you age, poor diet, environmental toxins, lack of exercise or personal stress can challenge your good health. LifeSeasons offers a line of supplements designed to support both your daily nutritional needs plus specific health needs.

LOT 052002
EXP 06/13

This Best in Class formulation includes rare Indian herbs that support blood pressure already within the normal range while promoting cardiac function. Also helps moderate the effects of occasional stress and nervousness.*

Arjuna — promotes cardiac function by supporting blood pressure and cholesterol levels already within the normal range*

Hawthorn — helps regulate blood pressure already within the normal range*

Sensoril® Ashwagandha — used traditionally to support natural energy levels and moderate the effects of occasional stress. Studies have shown its rejuvenating effect*
