GNC QUALITY COMMITMENT

GNC, the leader in the development and manufacture of dietary supplements, is committed to producing the highest quality products available. This commitment begins with quality designed supplement formulations. Every raw material that goes into a GNC supplement is guaranteed as to quality and potency. Each product is dated and then shipped immediately to our stores, so you can be sure you are purchasing the freshest supplements available. At GNC, we extend our quality commitment to you by offering our money-back guarantee.

GNC GUARANTEE

Use any GNC supplement for as little as 10 days. If you are not 100% completely satisfied, return the unused portion of the product with proof of purchase to your GNC store for a complete refund of your purchase price. No questions asked!

100 mg of CoQ-10

Heart

Dr. Frank J. Costa, M.D.

Dr. Frank J. Costa, M.D., an internationally acclaimed urological surgeon and men's health expert, is part of the GNC Medical Advisory Board.

One of "America's Top Physicians," Dr. Costa lectures nationally and internationally on men's health topics. Dr. Costa is regularly featured in television, radio and newspaper interviews and has published articles in both professional journals and popular magazines.

"If heart health is a concern, I recommend the Mega Men® Heart Vitapak® Program. It's the first of its kind to include both a premium men's multivitamin and balanced heart support, with ingredients shown to lower cholesterol and support healthy blood pressure."

MEGA MEN® HEART

GNC Mega Men® Heart Vitapak® Program conveniently combines nutrients that support a man's overall nutritional needs with focused ingredients to promote heart health and that may reduce the risk of heart disease.*

- **Mega Men®** – Our premium timed-release, clinically studied* formula includes vitamins and minerals to supplement key nutrients that may be missing in your daily diet. Mega Men® contains 1,600 IU of vitamin D-3 for colon health and immune support, as well as B-vitamins that are important for cardiovascular health and energy production.* It is enhanced with a broad spectrum of cell-protecting antioxidant nutrients that also support immune health.*
- **MegaNatural®-BP™** – Clinically shown to help maintain normal, healthy blood pressure levels already within the normal range.* MegaNatural®-BP™ is a superior form of grape seed extract that contains compounds to support a healthy heart.*
- **CardioAid™ Phytosterols** – Natural compounds found in fruits, vegetables and whole grains that help block cholesterol absorption.* Phytosterols are clinically shown to reduce cholesterol levels and may reduce the risk of heart disease.* Each daily serving provides the clinically studied dose of 800 mg of CardioAid™ Phytosterols.*
- **Double Strength Fish Oil** – Features 600 mg of omega-3 fatty acids, 360 mg of EPA and 240 mg of DHA. The omega-3 fatty acids found in fish oil are necessary for heart, joint and eye health.* They help maintain healthy cholesterol levels and are necessary in the maintenance of normal blood pressure.*
- **Coenzyme Q-10** – A heart healthy antioxidant that supports heart and blood vessel function.* Levels diminish with age and when taking certain medications.
- **Niacinamide** – Provides dietary support for a healthy blood lipid profile and plays an important function in energy metabolism.*

*Scientific research shows that 400 mg per serving of free phytosterols taken twice a day with meals for a daily total of at least 800 mg, as part of a healthy diet low in saturated fat and cholesterol may reduce the risk of heart disease. Each daily serving supplies 800 mg of CardioAid™ phytosterols.

^In a randomized, double-blind, placebo-controlled study of 112 healthy volunteers, subjects taking the GNC vitamin and mineral blend in this product for six weeks experienced statistically significant improvements in markers of B vitamin and antioxidant status, as well as improvements in SF-36 Vitality and Mental Health scores compared to those taking a placebo.
