*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

SUGGESTED USAGE: As a dietary supplement, take 1-2 capsules 2 times daily, preferably with food.
NOW® Turmeric & Bromelain is a botanical combination created to support healthy joint tissue. Scientific studies have shown that the curcuminoids from Turmeric can help to support the proper activity of critical enzymes naturally present during biological stress. Studies on Bromelain, an enzyme derived from pineapple, indicate that it may reinforce normal immune system response. NOW combines Turmeric and Bromelain to help maintain healthy joint tissues faced with occasional overstress or day-to-day use.*

Turmeric & Bromelain

JOINT HEALTH*
