CODE 3270 V7

SUGGESTED USAGE: As a dietary supplement, take 6 capsules 1 to 2 times daily.

Shark Cartilage is an excellent source of Calcium and also has naturally occurring Mucopolysaccharides, including an especially bioavailable form of Chondroitin Sulfate. Scientific studies indicate that certain constituents of Shark Cartilage may help to support a balanced immune system response. In addition, Shark Cartilage helps to promote skeletal health by virtue of its high Calcium content.* NOW® Shark Cartilage is derived from 100% pure freeze dried backbone of sharks and is thoroughly tested for important shark components and contains no solvents, bleaches or chemical processing agents. The sharks harvested are also used for food purposes.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Due to the natural variation in shark cartilage, color, texture, or taste may vary but the same high quality is guaranteed.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, receiving treatment for any illness, have a medical condition (especially a heart/circulatory condition or hypercalcemia). Keep out of reach of children.
