NOW® Ulcetrol™ is designed to protect and support a healthy stomach lining. Ulcetrol™ contains PepZin GI®, which has been shown to provide a defense against damaging assault on the stomach's mucosal cells. PepZin GI® also has the ability to "seek out" and encourage the repair of injured, thinning tissue. NOW® Ulcetrol™ has the additional benefit of Mastic Gum, a natural resin from *Pistacia lentiscus*, a small evergreen tree native to Greece. Mastic Gum similarly supports stomach health, having demonstrated its effectiveness at providing relief of digestive discomfort.*
