Caution: For adults only. Do not use if pregnant or nursing. Consult physician if taking medication (especially medications that affect the central nervous system) or have a medical condition (especially heart or lung conditions). Keep out of reach of children.

***These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.**

SUGGESTED USAGE: As a dietary supplement, take 2 capsules 1 to 2 times daily.

RememBRAIN™ is a formulation that supports mental alertness and learning by promoting proper Acetylcholine (ACh) production and activity. ACh is a neurotransmitter that is necessary for normal neurological and cognitive function, and whose production tends to decrease with age. RememBRAIN™ combines Alpha-GPC (a bioavailable form of choline) to promote ACh production with Memorzine™ Huperzine A to maintain ACh levels in the brain. Phosphatidyl Serine is also included to support healthy membranes and efficient nerve cell signaling.*

RememBRAIN™

COGNITIVE HEALTH

- With Memorzine™ Huperzine A, Alpha-GPC & Phosphatidyl Serine
- Supports Memory, Learning and Alertness*

60 Veg Capsules

A Dietary Supplement
Vegetarian/Vegan
