NOW® Celery Seed Extract offers a wide array of bioactive compounds including natural phthalides such as 3-n-butylphthalide (3nB). 3nB is extensively researched for its ability to support vascular health, especially within the brain. This product includes Horse Chestnut Seed Extract, which has been long known to support healthy vascular function. Hawthorn Extract with its many phenolic constituents has also been included to complement this 100% vegetarian formula.*

SUGGESTED USAGE: As a dietary supplement, take 1 capsule 3 times daily. Consider taking these other NOW® products: Blood Pressure Health, Cayenne and Nattokinase.
