**This
Best in Class
formulation supports
supports healthy liver
function and detoxification***

Milk Thistle - several clinical studies suggest that the antioxidant and anti-inflammatory properties of milk thistle can protect the liver from toxins and help the liver repair itself*

Artichoke - supports the body's ability to increase natural bile flow*

N Acetyl Cysteine - is an amino acid that the body converts into powerful antioxidants to protect from free radicals*

Turmeric - Helps support muscle relaxation*

Resveratrol - supports the body's ability to decrease liver fat*
