

StemFlo® is a proprietary blend of herbs and all natural ingredients that support optimal blood circulation by reducing oxidative stress in the blood, and improving overall blood flow.*

StemFlo is especially designed to support the delivery of cells, nutrients and oxygen, as well as stem cells to all parts of the body.*

For best results, use **StemFlo** in conjunction with **SE2®**, which supports the release of adult stem cells and **ST-5 with MigraStem®** - which supports the ability of adult stem cells to migrate into tissues.

*StemFlo® Es una mezcla exclusiva de hierbas e ingredientes naturales que apoyan una óptima circulación sanguínea combatiendo el estrés oxidativo, colaborando en la desintoxicación y el flujo sanguíneo en general.**

*StemFlo está diseñado para apoyar la circulación de células, nutrientes y oxígeno, como así también células madre adultas a cada parte del cuerpo.**

Para obtener mejores resultados, use StemFlo en combinación con SE2®, el cual apoya la liberación de células madre adultas y ST-5 con MigraStem™, que apoya la habilidad de las células madre adultas para migrar a los tejidos.
