PRO CLINICAL HYDROXYCUT™

Lose Weight^{▲,1,2}

**Lose More Weight
Than Dieting Alone**^{▲,1,2}

Significantly Reduce BMI^{▲,1,2}

Increase Energy^{▲,3}

Dietary Supplement

**150 RAPID-
RELEASE
CAPLETS**

DIRECTIONS: To assess individual tolerance, for the first three days, start with one (1) Rapid-Release Caplet, taken with a glass of water three (3) times daily, approximately 30 minutes before your three main meals. For days 4 and beyond, follow the chart below. Do not snack after dinner or between meals. Do not exceed two (2) caplets in a 4-hour period and/or six (6) caplets in a 24-hour period. Do not take within 5 hours of bedtime.

For best results use *Pro Clinical Hydroxycut*™ for 8-12 weeks in conjunction with a calorie-reduced diet and regular exercise program. Consume 8-10 glasses of water per day. Read the entire label before use and follow directions.

Day 1 to Day 3	1 caplet, 3x daily
Day 4 & Beyond	2 caplets, 3x daily

Increase Energy for Your Busy Lifestyle![▲]

³*Pro Clinical Hydroxycut*™ also contains an ingredient (caffeine anhydrous [1,3,7-trimethylxanthine]) that supports increased energy so you can keep up with your busy lifestyle![▲]

Lose Weight Fast!^{▲,1,2}

Study 1
12 weeks

Study 2
8 weeks

Both groups followed a calorie-reduced diet.

**PRO CLINICAL
HYDROXYCUT™** vs. **Placebo**
Lose Weight^{▲,1,2}

Pro Clinical Hydroxycut™ – It Really Works!

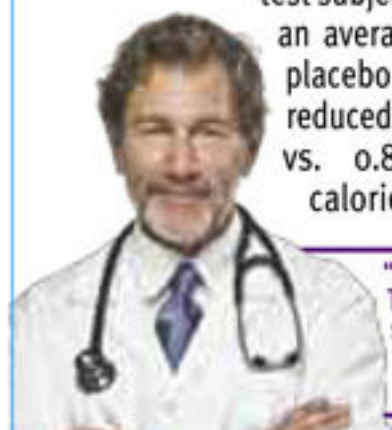

Pro Clinical Hydroxycut™ is the latest weight-loss innovation from the *Hydroxycut*™ Brand. The *Hydroxycut*™ brand is a leader with a 15-year commitment to excellence! Adding *Pro Clinical Hydroxycut*™ to a diet and exercise plan gives you the power to lose weight fast – as shown in 8- and 12-week studies!^{▲,1,2}

Lose Weight and Reduce BMI with Clinically Proven Ingredients![▲]

The clinically tested key ingredient combination is proven effective in clinical studies to provide better weight-loss results than diet alone.[▲]

¹In **study one**, a 12-week third-party, randomized, double-blind, placebo-controlled clinical study, test subjects using the key ingredients (*Hydroxyprovia*™: Lady's mantle extract, wild olive extract, komijn extract, wild mint extract) in *Pro Clinical Hydroxycut*™ lost an average of 20.94 lbs. versus the placebo group, who lost an average of 1.70 lbs. Test subjects also significantly reduced BMI versus the placebo group (10.2% vs. 0.9%)[▲]. Both groups followed a calorie-reduced diet.

²In **study two**, an 8-week randomized, double-blind, placebo-controlled clinical study funded by the makers of *Hydroxycut*™, test subjects using the same key ingredients lost an average of 16.50 lbs. vs. 1.73 lbs. for the placebo group. Test subjects also significantly reduced BMI versus the placebo group (8.1% vs. 0.8%)[▲]. Both groups followed a calorie-reduced diet.

"I highly recommend *Pro Clinical Hydroxycut*™. The key ingredients in this new dietary supplement are clinically proven to help people lose weight."
– Dr. Jeff Delson, M.D.
