Why the brown box? Fancy retail packing costs more money, which is passed on to you, the consumer. They can also contain harmful chlorine bleaches, dioxins and other toxic dyes. Because we hard-core care about your money and the environment, this box is 100% natural.

VITAMINERAL GREEN

Green foods are perhaps the single most important addition you can make to your diet. They are foundational. For over 20 years, I have deeply immersed myself into providing the best possible foundation. Mother Nature gave us the substances we need for healing. It is my life path duty and great honor to assemble them for you.

HEALTHFORCE HEALING CLEANSE™ LEVEL 1. A REAL CLEANSE!

INTESTINAL DRAWING FORMULA™

The colon is one of our main detoxification routes. A sluggish bowel breeds toxicity that seriously adversely affects the health of the entire body. Regular bowel movements and a clean colon are foundational to better health. Even an apparently non-sluggish bowel

that is full of anything other than largely whole plant foods (vegan) with their fiber intact can be a significant source of poor health (fresh, raw juices are purified, structured water are obvious exceptions and highly encouraged). This superior formulation has been designed to draw-in and absorb poisons from the bowel, (it "sucks" big time) allowing you to eliminate them and not re-absorb these poisons (an extremely common, everyday occurrence for most) - essential to take during a fast to avoid auto-intoxication. It also adds fibrous bulk (without psyllium that can irritate and bloat). Nourishes, soothes and lubricates the intestines* as it moves through.

3 DAY WEEKEND POWER CLEANSE™ OR 30 DAY GENTLE CLEANSE.
