100% TruGanic™ Since the USDA now owns Organic, pesticides and other poisons are allowed on and in Organic products under many circumstances...and pure foods like probiotics, enzymes, zeolite, charcoal, bentonite, wildcrafted herbs and many superfoods are NOT considered organic, even if grown organically and 100% verified free of pesticides, GMO, and irradiation. TruGanic™, on the other hand, is NOT for sale to anyone at any price! It is a purist, hard-core quality standard significantly beyond Organic standards, with much more stringent criteria and actual verification via testing that Organic does not have.

260 VEGANCAPS™

Dietary Supplement

The colon is one of our main detoxification routes. A sluggish bowel breeds toxicity that seriously adversely affects the health of the entire body. Regular bowel movements and a clean colon are foundational to better health. Even an apparently non-sluggish bowel that is full of anything other than largely whole plant foods (vegan) with their fiber intact can be a significant source of poor health (fresh, raw juices are purified, structured water are obvious exceptions and highly encouraged). This superior formulation has been designed to draw-in and absorb poisons from the bowel, (it "sucks" big time) allowing you to eliminate them and not re-absorb these poisons (an extremely common, everyday occurrence for most) - essential to take during a fast to avoid auto-intoxication. It also adds fibrous bulk (without psyllium that can irritate and bloat). Nourishes, soothes and lubricates the intestines* as it moves through.

Suggested Usage: 12 VeganCaps™, 1-3 (or more) times per day. Drink with 8-16 ounces of purified water (preferably) or fresh juice. Follow by consuming another 8-16 ounces of liquid (water or juice). Lots of fluids are important due to the drawing nature of this formula. This product stands alone. However, it is also part of the HealthForce Healing Cleanse™. If more powerful bowel moving action is required, use with HealthForce Intestinal Movement Formula™ (not required). Can also be taken after a meal for indigestion symptoms.

Intensive Usage: 24-48 VeganCaps™ per serving.

Will absorb anything that is taken with it. Do not take at the same time as other supplements or medications.

NOTE: Do not take this formula at the same time as other supplements/foods as they will be drawn into the formula (lessening the effects of this formula and anything else you may be taking/eating). Can be taken after a meal for indigestion relief. Otherwise, wait approximately 45 minutes before or 1 hour after meals and other nutritional products.

Suggested Adjuncts: HealthForce Intestinal Movement Formula™; HealthForce Internal Parasite Formula™, a whole foods, plant based, high fiber (animal products have no fiber - only whole plant foods), organic, vegan diet with emphasis on fresh raw foods (see the book "Uncooking With Jameth & Kim"); large amounts of fresh vegetable juices and structured water; HealthForce Vitamineral™ Green (a unique whole food superfood nutrient and detoxification complex); HealthForce Liver Rescue™4; and HealthForce Digestion Enhancement Enzymes™.

I wish you great health and happiness always!
