WHAT MAKES TRUE DISPERSION™ FIBER SO UNIQUE?

- Completely breaks down in less than 5 minutes—5 to 15 times faster than the top 4 other leading encapsulated fiber products on the market.
- More mucilage content than flax fiber—cleanses more toxins*
- So revolutionary that it is patent-pending

So You Get All-the-Way Clean!*

In order to get the full benefit of fiber, it needs to dissolve. **ONLY** Enzymatic Therapy's True Dispersion™ fiber dissolves completely in less than 5 minutes. Other fiber capsules take a long time to break down or don't dissolve at all. Many fiber products actually turn into semi-solid slugs that may not fully dissolve in the digestive tract. True Dispersion™ fiber provides a better cleanse than other products because you get the full benefit of fiber that goes to work quickly and cleans all the way down.*

This kit has everything you need for a 2-week cleanse, including a complete Detox Guide with additional tips on lifestyle, exercise and diet.*
