Abstract

For more than 75 years GNC has been dedicated to helping health conscious consumers (like *Me!*) do the best in the nutritional supplement industry. We have remained committed to producing the highest quality and scientifically advanced products available on the market. This commitment begins with our scientific research and product development then continues through to raw material procurement, manufacturing, packaging and transportation of the finished product. We take pride in our commitment to ensuring quality and we extend our confidence to you in our money-back guarantee.

Abstract

Use any GNC supplement for as little as 10 days. If you are not 100% completely satisfied, return the unused portion of the product with proof of purchase to your GNC store for a complete refund of your purchase price. No questions asked.

GNC Longevity Factors™ Heart Health

"It's a fact: as you age, it gets harder to maintain healthy blood pressure and cholesterol levels. Combining phyto-sterols, MegaNature®-BP™ and coenzyme Q-10, this formula gives you a great way to protect your heart - the body's powerhouse."

Abstract

Phytosterols - natural compounds found in fruits, vegetables and whole grains. Phytosterols have been clinically shown to help block cholesterol absorption.* Each daily serving provides 800 mg of phytosterols.

MegaNature®-BP™ - clinically shown to help maintain normal, healthy blood pressure levels already within the normal range. This superior form of grape seed extract contains compounds to support a healthy heart.

Coenzyme Q-10 - a critical antioxidant existing in every living cell in the body that supports heart and blood vessel function.* CoQ-10 levels diminish with age and when taking certain medications.
