Ingredient: 100% Pure Spirulina Powder (spirulina platensis)
Grown by TruGanic™ (beyond organic) standards and carefully dried at low temperatures to retain life force, enzymes and other heat-sensitive elements.

Exceptional source of high-energy, non-toxic "complete" protein (60-65%), amino acids, vitamins, minerals, trace elements, enzymes, chlorophyll, phytonutrients, and more. Unlike the high uric acid forming protein from animal products that contributes to significantly to osteoporosis and can cause kidney stress*, Spirulina's protein is gentle on your kidneys and its phycocyanin has been shown to actually help protect against kidney failure!
