How to take Elite Green Protein™

This product is VERY cleansing, so start slowly
with 1 teaspoon per day in water, juice, smoothie,
or a meal (salad, for example). Then, increase slowly
to 2 or more heaping tablespoons per day. This prod-
uct is pure food and can be consumed in any quantity.
It will nourish your entire body in a way that only
whole superfoods can.

Intensive Use: 6 or more heaping tablespoons per
day, ideally spread out. Non-toxic FOOD.

How Does This Taste?

This product is Lean, Mean, and deeply Green. **NO**
watering down. NO retreat. NO surrender.
NO compromises. NO Way! Little kids and non-
warriors can and do take this, and so can you! Seasoned
superfood warriors find this a tasty treat. Other war-
riors will master it in time. Alcohol is an acquired taste
and Elite Green™ tastes WAY better than alcohol.
Easy to take in juice. No excuses.

THE STORY OF WARRIORFORCE™

I have been into athletics all of my life. Not
just "sports," but hard-hitting, muscle-pumping,
heart-pounding, mentally-grueling, endurance-
testing sports...Warrior Sports. *Part of me would
die if denied my Warrior Spirit - that is just who I
am!* I am also hard-core into health! Unfortunately,
sports "nutrition" products usually have nothing
to do with actual health. They are notoriously
UNhealthy, many of them downright toxic —
ultimately contributing to a Warrior's demise. I
am a Naturopath and Herbal Medicine Researcher,
and have embraced a hard-core healing lifestyle
for 26 years, during which I have seen people who
had healthy looking physiques degenerate and die
much too soon (or die suddenly) due to their toxic
diet, lifestyle and supplements.

NOT ANYMORE!

WHAT IS A TRUE WARRIOR?

It's easy to be an aggressive, selfish, mean, assh%&e.
Just combine a bad attitude with some "roids" or
take legal substances that imbalance your body and
hormones. Then you are just a Barbarian. A True
Warrior™ is kind (to others - even kind to non-
warriors, kind to animals, and kind to the Earth),
unselfish, caring, and lives consciously by a code of
ethics/honor such as Bushido (Samurai) or Chivalry
(Knights), yet at the same time is completely willing
to stand up for those who need it and unleash a fury
of appropriate force, should battle be required.
A True Warrior™ is conscious of all the choices
made in life, and is open-minded. The world needs
more True Warriors™. Are you a True Warrior™?
If not, I invite you to become one!

FOR HARD-CORE, PURIST WARRIORS ONLY

Elite Green Protein™ is unlike ANY protein you
have every had. It is 100% complete protein, 100%
whole food and 100% superfoods, with benefits
far, far beyond any other protein in existence.
For example, the phycocyanin in spirulina helps
to protect and regenerate the kidneys* (which get
damaged from animal proteins). Chlorella chelates
heavy metals, and both spirulina and chlorella protect
from radiation and are insanely loaded with a full
spectrum array of cleansing and non-toxic healing
vitamins, minerals, chlorophyll, and phytonutrients,
for ultimate support of your entire body, including
incredible recovery and immune function! Minerals in
INorganic form (isolated supplements, flesh) can be
toxic. INorganic iron actually causes heart disease!
The organic iron in whole plant foods has ZERO
toxicity! The land plants in Elite Green™ alkalize
the body. The probiotics aid digestion, brain,
and immune function*. The longer you use Elite
Green™, the deeper the benefits will become.

"Hype is nothing.
Substance is EVERYTHING!"

100% TruGanic™: Chemical/pesticide grown
foods are dramatically nutrient deficient, destroy your
health and our planet. Genetically Modified Organisms
(GMOs) in foods are even worse. Do you want poisonous
Organically grown foods are NOT grown with chemicals
or GMOs, are vastly more nutrient dense and are bio-
compatible with our environment. TruGanic™ is the
hardest-core purity standard and is significantly beyond
even organic, with much stricter standards, including
packaging and verification of purity via testing that organi-
c does not have. TruGanic™ is the Warrior's standard!

EcoFresh Nutrient Lock™: Dark glass with our unique metal lid and oxy-
gen absorber protects 100% of nutrients (creates a vacuum). Glass is recycled,
recyclable, does not outgas and is non-toxic to melt down. Plastic bottles
and metal foil pouches (worst & not recyclable) dramatically degrade
nutrient levels. Plastic outgasses & is highly toxic to melt down.
