THE STORY OF WARRIORFORCE™

I have been into athletics all of my life. Not just "sports," but hard-hitting, muscle-pumping, heart-pounding, mentally-gruelling, endurance-testing sports... **WARRIOR SPORTS.** *I would rather die than be denied my Warrior Spirit - that is just who I am!* I am also hard-core into health! Unfortunately, sports "nutrition" products usually have nothing to do with actual health. They are notoriously UNhealthy, many of them downright toxic — ultimately contributing to a Warrior's demise. I am a Naturopath and Herbal medicine researcher, and have embraced a hard-core healing lifestyle for 26 years, during which I have seen people who had healthy looking physiques degenerate and die much too soon (or die suddenly) due to their toxic diet, lifestyle and supplements. I have vowed to change that.

Warrior Foundation™ is a comprehensive blend of highly nutritive, healing and detoxifying roots, barks, herbs and seeds. It will help to center your body and mind, and the body uses the botanicals to balance and enhance hormone production for men, women and children (no overproduction or under production - just balance). Will also protect against excess endogenous estrogen and synthetic xenoestrogens*.

SUGGESTED USAGE: 2 or more heaping Tbsp. per day. Incredibly versatile superfood (smoothie addition, savory, raw or fire-enhanced). Use on its own & take in the same day as Warrior Greens™ for a balance of yin/yang. Warrior Greens™ and Foundation™ are so powerful combined that you could virtually live on them alone!

SMOOTHIES/FOODS

Will thicken and nutritify. **BROTH OR TEA**
Add to hot water or make a tea (virtually all natives made teas of healing herbs with hot water). Bring

WARRIORFORCE.COM

to boil for broth and add seasonings. Tea/broth produces a totally different flavor (with **more** phytonutrients). Drink all at once or throughout the day. **OTHER FOODS:** Add to soups, salads, dressings, casseroles, hot/cold cereals to balance sweets, etc. Great for fasting/debauch.

WHAT IS A TRUE WARRIOR?

It's easy to be an aggressive, selfish, mean ass%&e. Just combine a bad attitude with some "roids" or take legal substances that imbalance your body and hormones. Then you are just a Barbarian. A True Warrior™ is kind (to others - even kind to non-warriors, kind to animals, kind to the earth), unselfish, caring, and lives consciously by a code of ethics/honor such as Bushido (Samurai), or Chivalry (Knights), yet at the same time is completely willing to stand up for those who need it, & unleash a fury of appropriate force should battle be required. A True Warrior™ is conscious of all the choices made in life and is open-minded. The world needs more True Warriors. Are you a True Warrior™?
