Do Not Eat Freshness Packet. Keep in Bottle.

Caution: For adults only. Do not use this product if you have a pineapple allergy. Consult physician if pregnant/nursing, taking medication (especially cyclosporine and blood thinners), or have a medical condition. Keep out of reach of children.

SUGGESTED USAGE: As a dietary supplement, take 2 capsules 20 minutes before meals, 2 to 3 times daily. Persons with sensitive stomachs may prefer to take capsules with food. Quercetin is a naturally occurring free radical scavenger that supports healthy seasonal immune system function. Laboratory studies have demonstrated that Quercetin can interact with immune cells known as mast cells, which play an important role in the maintenance of normal respiratory function. Bromelain also supports a balanced immune system and may also help to maintain healthy sinus tissues. This complementary combination may thus promote year-round respiratory health and support overall seasonal comfort.*

Quercetin

With Bromelain

BALANCED IMMUNE SYSTEM

- Supports Healthy Seasonal Immune Function*

120 Veg Capsules

A Dietary Supplement
