Pycnogenol® is a unique combination of proanthocyanidins obtained from the bark of the French maritime pine. As a potent natural scavenger of free radicals, Pycnogenol® helps to protect the body's tissues from oxidative stress and supports a healthy, balanced immune system response to normal metabolic stress. Through these mechanisms, Pycnogenol® helps to maintain healthy eye, skin, and joint tissues. In addition, scientific studies have shown that Pycnogenol® helps to maintain vascular strength and function.*

SUGGESTED USAGE: As a dietary supplement, take 2 capsules 1 to 3 times daily.
