Do Not Eat Freshness Packet. Keep in Bottle.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Cinnamon Bark has been used traditionally as a culinary spice and to support proper digestion. It is known to possess a number of bioactive constituents that exhibit free radical neutralizing activity and other studies suggest that Cinnamon components may support a balanced immune system response to metabolic stressors of everyday life. Additional clinical evidence also indicates that Cinnamon Bark supports healthy glucose metabolism and may help to maintain blood sugar levels already within the healthy range.*

SUGGESTED USAGE: As a dietary supplement, take 2 capsules twice daily with food. Consider taking these other NOW® products: Glucose Metabolic Support and Alpha Lipotic Acid.
