*Percent Daily Value (DV) is based on a 2,000 calorie diet.

**Daily Value (DV) not established.

Other Ingredients: Purified water, natural vegetable glycerine, natural flavors blend (pineapple, coconut), ionic trace minerals, citric acid, xanthan gum, potassium benzoate, potassium sorbate (for freshness).

Plus over 72 ionic trace minerals found in seawater.

Allergen Info: may contain traces of corn. **GLUTEN FREE.**

Cal/Mag/Zinc is a complementary blend of premium forms of Calcium, Magnesium, and Zinc that has been supercharged with Concentrace™ to help ensure the highest assimilation and absorption of these minerals in the body.† We've also included vitamin D to create a formula that provides complete nutrition to sustain bone, muscle, and connective tissue health.†

Suggested Use: SHAKE WELL. Take 1 to 2 tablespoons daily (one capful = 2 tablespoons), to top off or fully supplement your diet. As this is a highly concentrated product, we recommend starting with 1 tablespoon and increase as needed, ideally spread throughout the day. We also recommend taking this product mixed into or with a large glass of liquid for the best isotonic balance. Excess Magnesium may cause a laxative effect. **REFRIGERATE AFTER OPENING.**

Concentrace® is a trade name for concentrated sea minerals from the Great Salt Lake.
