

CAPSULE SIZE

Made in the USA

CODE 9537 V1

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

Do Not Eat Freshness Packet. Keep in Bottle.

Modern scientific studies have shown that Olive leaves have a number of compounds, mainly phenols and lignans, that protect the plant from environmental stress and may confer health benefits when consumed. Oleuropein, one of the best known active constituents of Olive Leaf, has been endowed with many health properties linked to its free radical scavenging activity. NutraFlora® FOS is a pleasant-tasting, concentrated source of fructooligosaccharides (FOS), a non-digestible carbohydrate which aids the growth of beneficial intestinal bacteria such as *Bifidus* and *Acidophilus*.*

SUGGESTED USAGE: As a dietary supplement, take 2 capsules 1 to 2 times daily.

Olive Leaf + FOS

STANDARDIZED EXTRACT

500 mg per serving

90 Capsules

A Dietary Supplement
