Ionic Zinc is a rich, concentrated liquid dietary supplement that provides zinc in an ionic form—the form most widely recognized by the body.† Our proprietary process ensures maximum absorption, while the balanced liquid form provides safety and flexibility.†

An adequate supply of zinc is essential for growth and physical development, especially as it relates to proteins, fats and carbohydrates.† **CERTIFIED VEGAN.**

ConcenTrace[®] is a trade name for concentrated sea minerals from the Great Salt Lake.
