Supplement Facts

Serving Size 2 Vegetarian Capsules
Servings Per Container 30

	Amount Per Serving	% Daily Value
Total Carbohydrate	<1 g	<1%†
Tart Cherry (<i>Prunus cerasus</i>) (fruit concentrate) (Contains 6.8 mg [0.8%] anthocyanin)	850 mg	*
Silicon Dioxide	103 mg	*

†Percent Daily Value based on a 2,000 calorie diet.

*Daily Value not established.

Other Ingredients: Vegetable cellulose (capsule), cellulose and magnesium stearate.

Discussion: Made from Balaton, Montmorency and Oblichinska cherries, famous for their tartness. These bright red cherries have a long tradition of use with many Native American tribes. They contain anthocyanins, antioxidant flavonoids that provide more than just their red coloring. Anthocyanins are considered one of the strongest plant antioxidants with a variety of mechanisms to help scavenge and neutralize free radicals that cause oxidative stress in all parts of the body.

Our own laboratory analysis guarantees purity and freshness of all Thompson® products.
