

THE STORY OF WARRIORFORCE™

I have been into athletics all of my life. Not just "sports," but hard-hitting, muscle-pumping, heart-pounding, mentally-gruelling, endurance-testing sports. Warrior Sports. *I would rather die than be denied my Warrior Spirit - that is just who I am!* I am also hard-core into health. Unfortunately, sports "nutrition" products usually have nothing to do with actual health. They are notoriously UNhealthy, many of them downright toxic — ultimately contributing to a Warrior's demise. I am a Naturopath and Herbal medicine researcher, and have embraced a hard-core healing lifestyle for 26 years, during which I have seen Warriors who had healthy looking physiques degenerate and die much too soon (or die suddenly) due to their toxic diet, lifestyle and supplements. **NOT ANYMORE.** I have long envisioned the day when Warriors can be fueled by real food and 100% natural non-toxic superfoods. **THAT DAY IS TODAY.**

WARRIOR GREENS™

Compromise is not an option. Hypocrisy is nothing. Substance is everything. Every ingredient, including how it is grown and processed, is therapeutic. Extremely potent & comprehensive array of nature's most nutritive and cleansing superfoods. Green foods are perhaps the most healing foods on the planet, and the single most important addition you can make to your diet. Warrior Greens™ enhances your physical appearance and your performance, without sacrificing your health. Warrior Greens™ is Actual Food™. Whether you are a professional athlete or a "weekend warrior", this is the best possible green food you can get.

WHAT IS A TRUE WARRIOR?

It's easy to be an aggressive, selfish, mean, asshole! Just combine a bad attitude with some "roids" or take legal substances that imbalance your body and hormones. Then you are just a Barbarian. A True Warrior™ is kind (to others - even kind to non-warriors, kind to animals, and kind to the earth), unselfish, caring, and lives consciously by a code of ethics/honor such as Bushido (Samurai), or Chivalry (Knights), yet at the same time is completely willing to stand up for those who need it, & unleash a fury of appropriate force, should battle be required. A True Warrior™ is conscious of all the choices made in life, and is open-minded. The world needs more True Warriors™. Are you a True Warrior™?

100% TruGanic™: Since the USDA owns Organic, pesticides/poisons are allowed in Organic products under many circumstances...and many pure foods like wildcrafted herbs, superfoods are NOT considered organic, even if grown organically and 100% verified free of pesticides, Genetic Modification (Franken Foods), and Irradiation! TruGanic™, on the other hand, is a purist, hard-core quality standard significantly beyond Organic standards, with actual verification via testing that Organic does not have.

EcoFresh™ Nutrient Lock™. Our amber glass with our unique, air tight rubber seal metal lid and oxygen absorber protects 100% of nutrients (creates a vacuum). Glass is recyclable, does not outgas and is non-toxic to melt down. Plastic bottles and metal foil pouches (most are not recyclable) dramatically degrade nutrient levels. Plastic outgasses & is highly toxic to melt down.
