*These statements have not been evaluated by the FDA. This product is not intended to diagnose, treat, cure or prevent any disease.

BACKGROUND INFORMATION: GOAL: To make the broadest spectrum, most deeply effective and highest ORAC (oxygen radical absorbance capacity) antioxidant product currently possible (both water AND oil soluble) with benefits far beyond ORAC, at the best possible value. PERIOD. Free radicals wage a crushing war on your DNA, contributing to virtually every disease, degenerative and aging process known*. It's time to stop them. It's time to fight back!

**HYPE IS NOTHING
SUBSTANCE IS EVERYTHING!**

So many products tout benefits but simply do NOT contain the correct botanicals and quantities of them, to be effective. Many formulators are ignorant of this, while many others do it very much knowingly to cut costs. Warrior Shield™ allows you to actually achieve the benefits that research shows these amazing nutritional substances can provide!

ULTIMATE ORAC: Warrior Shield™ goes beyond the latest research and provides a comprehensive formula with potencies, bio-availability and ORAC heretofore untouched. Contains botanical extracts and synergistic whole foods.

HERBAL ANTIOXIDANT ACTIVATORS™ are extremely potent antioxidants and significantly increase the absorption and effectiveness of the other botanicals.

METABOLIC ANTIOXIDANTS: Warrior Shield™ goes beyond ORAC by supporting the liver to make even more powerful metabolic antioxidants (SOD, Glutathione).

ECOFRESH NUTRIENT LOCK™ PACKAGING: This 100% recyclable glass bottle with airtight rubberized metal lid, VeganCaps™ and oxygen absorber prevents oxidation and actually preserves the

product's antioxidant properties! (Dramatic difference vs. other packaging.)

SUGGESTED USAGE: 4 VeganCaps™ per day. Not an "all or nothing". Just 2 VeganCaps™ are extremely beneficial and far more potent than other products. **INTENSIVE USAGE:** 8-16 VeganCaps™ per day, spread out over 2-8 servings. **SUGGESTED ADJUNCTS:** A whole foods, organic, plant based diet including high-water content fruits and vegetables, fresh juices, herbs/spices; **WarriorForce™ Warrior Greens™ and Warrior's Foundation™** (superfoods so comprehensive you could live on them).

What is a True Warrior?

It is easy to be an aggressive, selfish, mean, ass%&e. Just combine a bad attitude with some "roids" or take legal substances that imbalance your body and hormones. Then you are just a Barbarian. A True Warrior is kind (even to non-warriors) unselfish, caring, and lives consciously by a code of ethics honor such as Bushido (Samurai), or Chivalry (Knights), yet at the same time is completely willing to stand up for those who need it, & unleash a fury of appropriate force, should battle be required. A True Warrior is conscious of all the choices made in life, and is open-minded. The world needs more True Warriors. Are you a True Warrior™? If not, I invite you to become one!
