

XTREME SYNERGY.

Intensify® XTREME is an unparalleled fat burning thermogenic with a hardcore synergistic formula that combines the perfect ratio of diet components together for extraordinary results. This precision blend is designed to support intense fat burning, strong energy levels, effective appetite suppression, enhanced diuretic effects, and intense focus.* Intensify® XTREME's formulation provides a superior synergy of primary ingredients for greater overall efficacy.*

MAXIMUM WEIGHT LOSS SUPPORT.

Thermo-LEAN Blend: Formulated for XTREME weight loss, this specialized blend maximizes the thermogenic process. Intensify® XTREME is also amped up with **Nelulean™**, a thermogenic enhancer that metabolizes and burns fat more effectively. As a result the Thermo-LEAN Blend now provides stronger weight loss support by targeting and metabolizing brown adipose tissue and reducing fat storage.*

Insul-LEAN Blend: This precision blend supports normal sugar levels, which in turn helps the body store less sugar as fat. This promotes an increase in fat loss and limits unnecessary weight gain. Also helps reduce carb cravings and supports strong appetite control.*

De-FINE Water Loss Blend: Unique and specially formulated diuretic blend that helps target and pull excess water from your system, leaving you with that lean and defined look.*

Thyro- CUT Complex: This advanced complex is designed to support healthy thyroid function, allowing for a natural balance of energy and more efficient metabolism.*

Thermo-SORB Blend: This highly prolific delivery mechanism maximizes each blend to be absorbed quickly and effectively. It fully optimizes Intensify® XTREME's bioavailability.*
