B-12 Soft Chews are a convenient alternative to pills and a great addition to your daily nutrition and health regimen. Each delicious, chocolate chip cookie dough chew provides 2,500 micrograms of vitamin B-12, an essential nutrient that provides a variety of important health benefits.*

Vitamin B-12 is required for energy production and metabolism of carbohydrates.* It is also necessary for proper red blood cell formation and is a key nutrient in nerve tissue formation and proper neurological function.* In addition, vitamin B-12 may play a role in the maintenance of normal homocysteine levels in the blood.*

Individually wrapped, great-tasting B-12 Soft Chews are easy to take with you on the go so you can enjoy the many benefits of vitamin B-12 any time.

GNC QUALITY COMMITMENT For more than 78 years, GNC has been the leader in the development of superior nutritional supplements. Our products are produced using only fresh, high-quality ingredients and are manufactured under the strictest quality controls.

GNC GUARANTEE If you are not 100% completely satisfied, return the unused portion of the product with your receipt to a GNC store within 30 days. Our trained sales staff will either refund your purchase price or, if you prefer, assist you in finding a replacement product to help you LIVE WELL.
