Boron (ConcenTrace®)	950 mcg	†

† Daily Value not established.

Ingredients: ConcenTrace®, purified water, Utah Sea Minerals, potassium citrate, citric acid. Some crystallization may occur, but will not affect the quality of the product. **CERTIFIED VEGAN.**

Allergen Info: contains no known allergens. **GLUTEN FREE.**

Suggested Use: Add 1 teaspoon (approximately 80 drops) to a large glass of juice, sports drink, or other beverage before, during, and after strenuous activity to help maintain healthy electrolyte levels in the body for improved performance and fewer muscle cramps.† Can also be used to help prevent nighttime cramps.† Store at room temperature.

40,000 VOLTS! Electrolyte Concentrate can turn any beverage into an electrolyte sports replacement drink. **40,000 VOLTS!** is created by blending ConcenTrace® Trace Mineral Drops and Utah Sea Minerals in a base of liquid potassium citrate. ConcenTrace® is a trade name for concentrated sea minerals from the Great Salt Lake.

We also suggest using these other performance products from TMR: **NEW! Electrolyte Stamina Shot, Electrolyte Stamina Power Pak, INDORE Performance Electrolyte, and Electrolyte Stamina Tablets.**
