**Caution:** For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

\*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

**SUGGESTED USAGE:** As a dietary supplement, take 1/2 level teaspoon daily.

Vitamin C is an essential nutrient well known for its vital role in immune system function. It is a highly effective antioxidant that can protect the body's structures from oxidative damage generated during normal metabolism. Vitamin C is also necessary for the production of collagen and is therefore important for skin, bone, and joint health. It is also needed for amino acid metabolism and the utilization of many nutrients, such as folic acid and iron. Sodium Ascorbate is a non-bitter, non-acidic, buffered form of Vitamin C in a highly soluble form.\*

# Pure, Buffered Sodium Ascorbate

**ANTIOXIDANT PROTECTION\***
