This product contains over 72 naturally occurring ionic trace minerals in varying trace amounts as found in seawater, including those listed above as well as the following: Calcium, Silicon, Selenium, Phosphorus, Iodine, Chromium, Manganese, Iron, Copper, Molybdenum, Zinc, Vanadium. For additional information, including a complete list of trace minerals contained in this product, please visit www.traceminerals.com. **CERTIFIED VEGAN.**

IONIC TONIC is a balanced trace mineral concentrate derived from Concentrace® to improve energy and overall health.† Sourced from the balanced and concentrated waters of Utah's Great Salt Lake, Concentrace® is a complex of naturally occurring, full spectrum minerals that are bioavailable and bioactive for the body's own selective utilization.† No other product offers the breadth and depth of charged minerals and trace minerals than **IONIC TONIC**.† Excellent for use as an electrolyte replacement product.

Suggested Use: **SHAKE WELL.** Take 1 capful (2 tbsp.) daily in a glass of juice or water or take straight followed by juice or water. For smaller or larger individuals, adjust serving size accordingly. If you are not accustomed to using a concentrated mineral supplement, start with half the suggested serving size per day and increase gradually over a period of at least 7 days. Always drink plenty of fluids when taking this product. **REFRIGERATE AFTER OPENING.**

Concentrace® is a trade name for concentrated sea minerals from the Great Salt Lake.

†These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
