Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

Selenium may reduce the risk of certain cancers. Some scientific evidence suggests that consumption of selenium may reduce the risk of certain forms of cancer. However, FDA has determined that this evidence is limited and not conclusive.

Some scientific evidence suggests that consumption of antioxidant vitamins may reduce the risk of certain forms of cancer. However, the FDA has determined that this evidence is limited and not conclusive.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Vitamin E is a major antioxidant and the body's primary defense against lipid peroxidation. Selenium is an essential trace mineral that has been included as a complement to Vitamin E.*

SUGGESTED USAGE: As a dietary supplement, take 1 softgel daily, preferably with a meal.

E-400

ANTIOXIDANT PROTECTION*
